

Close Reading Strategies

Preview:

- Skim through the text
- Read headings
- Look at author's background
- Find when/where it was published

Note:

- Prepare to take notes
- Stop to write down thoughts while you read
- Summarize what you've read

Annotate:

- Note unknown or confusing words
- Identify ideas new to you
- List what stands out to you
- Mark areas to explore further

Ask:

- What questions do you have?
- Where do you disagree?
- What are the important details?
- Why are you reading this?

Connect:

- Find ideas that link to what you know
- Recall personal experiences
- Compare with other texts
- Relate to real-world observations

Review:

- Find main idea
- Look for evidence used for support
- Determine SOAP (subject, occasion, audience, and purpose)
